

ARCHITECTURAL T.B. ALUMINUM WINDOWS & DOORS

DOORS

RESIDENTIAL

GORTER CONSTRUCTION LTD
VICTORIA, BC

Durable & Sleek

Designed to be integrated into any window wall system, our Casement Hinged Windows can mull to most any window or door. We can build our operable windows taller and wider than the competition, also you can design your project with ideal ventilation and a limitless vision. Welcome in the fresh air and let our T.B Aluminum Series Casements, Awnings and Hoppers open your world.

Opening Your Wall

Let our wood/aluminum-clad multi-slide doors open your world to the outside. Door panels roll open at the push of a finger & every panel is available in massive sizes that can slide and stack to the side or completely vanish into a pocket, opening entire rooms to the gorgeous weather while you entertain.

Open Spaces with Custom Doors

Folding Walls, Lift & Slide Doors & Custom Front Entry's are a few of the doors we manufacture install.

Choosing the right style and getting the right price is critical & with all the different doors to choose from, at Westeck, we can help you design a door that will set you & your home apart from the rest.

**Swing door performance is a requirement under BCBC 2012.
Can your door supplier provide you compliant doors?**

MORE than only
Vinyl windows.

Strength & Durability

Our Tilt/Turn windows & doors are used in residential & commercial applications. Reinforced with galvanized steel allowing structural support for larger picture windows or for curtain walls.

Heavy Duty Extruded Aluminum

Our wood windows & doors are enclosed in a durable, heavy duty extruded aluminum. It resists chipping, fading, denting and makes refinishing a thing of the past.

Low Maintenance

Our windows are made up of a heavy duty extruded vinyl that is almost maintenance free. Available in standard white or beige or customize your window by adding our Diamond Coat paint which is available in 27 standard colors or select a unique color for your home & we will match it.

Any color
Safety

The Tilt/Turn window provides the diversity of dual action handles that allow windows to be fully open or restricted to a "tilt" position for optimal safety and ventilation. These windows & doors are ideal for second or subsequent floors.

Beauty of Wood

For truly distinctive homes, you can't beat the timeless elegance of our all-wood windows. Fir is our wood of choice but any species is available. You may also choose to have your windows stained or painted in one of our in-house paint facilities.

Combo Vinyl Clad

The best of both worlds! Low maintenance exterior with the beauty of an all wood window on the inside. With the Combo window, you can choose where you would like to add these windows in your home as the exterior you will always achieve the balanced look with our Casement Series.
